

ZOE ORIGINAL GOALS AND MISSION

Zoe University's goals are:

- 1) To equip students to make sound judgments, think clearly, and communicate effectively.
- 2) To develop Christian leaders through a balanced program of educational with an emphasis on the \geq whole person \leq .
- 3) To offer studies leading to a full range of degrees from Associate through Doctoral level.
- 4) To foster an appreciation of self and others and their views, as well as, ethical and moral values.
- 5) To provide service to the community, and the world through its educational programs.
- 6) To offer quality educational programs to the incarcerated and others around the world who cannot leave jobs, nor find education programs that meet their needs locally.
- 7) To equip individuals for functioning in dimensions of leadership within the work place of their society.

MISSION

Zoe University is a Christian, co-educational, non-denominational institution dedicated to offering students educational opportunities to prepare them academically, professionally and spiritually to serve God in professions to which they have been called.

The mission is to restore God's work to its proper place within the academic community, bringing biblical truth to bear within every discipline, and in every arena of life.
